The areas leading comfort experts for all your heating and Air Conditioning needs

Price Book Set Up Instructions

BSI's **Colman Home Comfort Flat Rate Installation Price Book** is designed to help our Colman Dealers outperform the competition with a "customized-to-your-business" replacement installation *"Upfront"* consumer pricing guide.

We designed the price book to be used by both *Comfort Advisors* on a replacement sales call or for the *Selling Technicians* on a service call where they have identified a replacement opportunity.

Formatted for Easy Upselling:

The proven price book format has proven to help you to easily upsell via the "good-better-best-premium" system consumer installation pricing options.

Easy 1-Page Price Book Set-up:

Located on this web page, as well as, at end of this demo price book you will find the 1-page Setup/Order Form. On this Form you provide us your unique labor costs, gross profit margin, finance rates, and your local utility rates.

Set-up of Installation Cost-of-Goods-Sold:

You provide us your preferred equipment vendor pricing from your vendor which we import your actual costs for equipment, materials, and warranties by system type and size.

We multiply by your provided labor cost rates by the "built-in" installation labor hours for a Crew Chief and Helper to arrive at your *Total Installation Labor Cost*. You may modify the "built-in" labor hours for any system configuration by faxing us your changes via marked up *User Guide* pages also located on this www.GrowMyHVAC.com page.

Your Unique Installed Sell Price:

Your unique Installed Sell Price will be based on your provided gross profit margin rate.

Finance and Energy Savings Tables:

We provide finance and energy savings tables to help the Comfort Advisor to show consumer affordability of a system installation. We create your finance tables using your unique local finance options and national *Home Equity Rates*, *Personal Bank Loan Rates*. We create your energy savings tables using your provided local area utility rates.

Customizing Configurations:

If your configuration are different from or is missing any system type versus this demo price book, we provide three easy ways for you to quickly communicate your unique price book configuration requirements:

- 1. For minor modifications, simply print the demo book price pages and mark them up with your equipment component match-ups and desired warranty offering and fax them back to us.
- For extensive modifications, we can send you an Excel spreadsheet as an email attachment that you email back to us with your unique equipment configuration component match-ups.
- 3. Or you can simply set up with us a telephone or on-line GoToMeeting workout session to assist in expediting setting up of your price book.

Configuration Options:

This price book may be modified to include any or all of these common residential HVAC replacement configurations:

- Split System Gas Heat
- Split System Electric Heat
- Split System Cooling Only
- Split Heat Pump
- Split Dual Fuel Heat Pump
- Geothermal Heat Pump
- Packaged Gas Heat
- Packaged Heat Pump
- Packaged Dual Fuel
- Furnace Only Gas/Oil/Propane
- Boiler Gas/Oil/Propane
- System Enhancements/Accessories

Prices Shown are Illustrative Only

- This "demo" price book was designed for demonstration purposes only.
- The pricing shown is for a fictitious contractor and climate zone, and is not meant to be representative to local area pricing.
- Your pricing will be accurate to your business based on your unique local area labor costs, unique overhead and net profit set-up requirements, local financing options, and your energy savings tables according to your climate zone.

Questions?

Call our Price Book Hot Line at 800-240-2823 24/7 or email us at customercare@GrowMyHVAC.com.

IMPORTANT NOTICE: Please read the following License Agreement Carefully. Your use of the product signifies your acceptance of the agreement. If you do not agree with the terms of this Agreement, you should promptly remove all electronic and or destroy all hard copies of this price book. Retain this License Agreement for future reference.

Article 1: License Grant

The Home Comfort Flat Rate Price Book and the pricing process which it contains is the intellectual property of Building Services Institute, Inc. (BSI) and its licensors, and is protected by law, including United States copyright laws and international treaties. BSI grants you a license:

- 1. To use the Home Comfort Flat Rate Price Book within your business entity.
- To make a single archival back-up copy of the Home Comfort Flat Rate Price Book in support of your use of the Home Comfort Flat Rate Price Book within your business as named on the submitted Home Comfort Flat Rate Set-up Sheet.
- 3. No reverse engineering. Except as stated above. MAY NOT MODIFY, TRANSLATE, DISSIMATE, OR DECOMPILE THE Home Comfort Flat Rate Price Book, OR ANY COPY, IN WHOLE OR PART.

Article 2: Term

- 1. The license is effective until terminated. You may terminate the license at any time by destroying the Home Comfort Flat Rate Price Book together with all copies, modifications, and merged portions in any form. The license will also terminate upon conditions set forth elsewhere in this Agreement, and BSI may terminate your license if you fail to comply with this agreement.
- 2. You agree, upon such termination for any reason, to destroy the Home Comfort Flat Rate Price Book together with all copies, modifications, and merged portions in any form.

Article 3: Disclaimer of Warranties and Limitations of Remedies

- 1. The Home Comfort Flat Rate Price Book is provided "As Is" without warranty of any kind, either expressed or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the Home Comfort Flat Rate Price Book is with you, its authorized user. Building Services Institute Inc. and its licensors do not warrant that the functions contained in the Home Comfort Flat Rate Price Book will meet your requirements or error free.
- 2. Building Services Institute, Inc.'s and its licensors entire liability and your exclusive remedy shall be:
 - a). The replacement of any price book not meeting Building Services Institute, Inc.'s "Limited Warranty" or
 - b). If Building Services Institute, Inc. and its licensors are unable to deliver a replacement PDF file, which is free of defects in material or workmanship, you may terminate this License Agreement by destroying the Home Comfort Flat Rate Price Book and removing the Home Comfort Flat Rate Price Book from all of your computers and terminating any use of Home Comfort Flat Rate Price Books
- 3. YOUR EXCLUSIVE REMEDY AGAINST BUILDING SERVICES INSTITUTE, INC., INC. AND ITS LICENSORS, AND BUILDING SERVICES INSTITUTE, INC., INC.'S AND ITS LICENSOR'S ENTIRE LIABILITY, EVEN IN THE CASE OF FUNDAMENTAL BREACH, IS LIMITED TO REPLACEMENT OR RETURN OF THE HOME COMFORT FLAT RATE PRICE BOOK. IN NO EVENT WILL BUILDING SERVICES INSTITUTE, INC., INC. AND ITS LICENSORS BE LIABLE TO YOU, ITS AUTHORIZED USER, FOR ANY DAMAGES, INCLUDING ANY LOST PROFITS, LOST SAVINGS OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE SUCH HOME COMFORT FLAT RATE PRICE BOOK EVEN IF BUILDING SERVICES INSTITUTE, INC., INC. HAS BEEN ADVISED OF THE POSSIBILTY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY OTHER PARTY.

Article 4: General

- 1. Your use of this Home Comfort Flat Rate Price Book is acknowledgement that you have read this agreement, understand it and agree to be bound by its terms and conditions. You further agree that it is the complete and exclusive statement of the license agreement between us, which supersedes any proposal or prior License Agreement, oral or written, and any other communication between us relating to the subject matter of this License Agreement.
- This Agreement will be governed by the laws of the State of New Hampshire, and you agree that any claims regarding the Home Comfort Flat Rate Price Book shall be brought in New Hampshire, and waive any objections to jurisdiction in the Courts of New Hampshire.

Mission Statement

- Our Commitment: We are committed to providing the highest quality and performance in all aspects of the equipment replacement industry, utilizing our core strengths to insure the continued success of our employees and our customers.
- Core Services: Design, fabrication, installation and service of heating and air conditioning, indoor air quality, ventilation, electrical, temperature control and humidity controls.
- Core Strengths: Experienced leadership, excellence, trustworthiness, loyalty, and pride in our reputation for quality workmanship and teamwork, our multi-trade capabilities, knowledge and commitment to innovativeness.
- Success for Employees: Provide fair compensation, security, trust, recognition, and a good working atmosphere.
- Success for Customers: Provide quality, competitive pricing, trust, partnership, and our ability to meet their unique requirements.

Who we are:

- A premiere residentialcommercial service company.
- We have consistently grown each year due to our competitive programs and services.
- Our company has continued to invest in state-of the art technology that allows us to deliver the highest level of service with the lowest possible cost.
- Our written training and employee development programs assures the delivery of safe reliable service in and around your home.
- We have a written drug free hiring policy to protect our customers and property

What makes us different:

- We offer the industries best Install-Right® guarantees, warrantees, and assurances.
- Our field management and equipment installation procedures enables us to take care of everything and assume responsibility for everything.
- We are an unbiased independent contractor not a manufacturer sponsored dealer.
- We minimize all personal risk from doing business with us through our delivery systems and our liability coverage.
- We Guard both your time and equipment replacement investment money.

The Home Comfort Certified System 7 Step Approach

Why we set the Standards of Performance

- 90% of all installations have problems resulting in unnecessary energy inefficiencies due to:
 - Too large or too small equipment sizing
 - Improper match between condenser and evaporator
 - Improper duct sizing or distribution
 - Improper duct insulation or sealing
 - Leaking or disconnected duct work or diffusers
 - Improper system balancing
 - Improper system charging and calibration

Source: studies conducted by North Carolina Alternative Energy Corporation, Texas A&M University, Louisiana State University and BSI client customer surveys

- 40% of all installations fail to meet air flow requirements resulting in poor indoor comfort due to:
 - Improper sized equipment

 Improper duct distribution
 design
 - Improper diffuser type or location
 - Leaking or disconnected ducts & diffusers
 - Improper system balancing
 - 50% of all installations are not charged properly resulting in up to 50% higher operating cost due to:
 - Improper start-up, test, and installation verification per manufactures specifications and industry best practices
 - Untrained installation personnel
 - Poor contractor installation methods

With our The Home Comfort Certified System we guarantee that you will be in the top 10% of all installations

Quality Installations by Design

Pre-installation:

- Our proven Home Use & Livability Survey data gathering techniques enable us to provide our customers with unconditional performance guarantees
- Our computer Manual J home load modeling guarantees that heating, cooling and comfort capacities will be met.
- 3. Our equipment/system selection process guarantees that both your personal and your home aesthetics requirements are met
- We select the most appropriate installation implementation process that guarantees our customers the lowest possible installation costs.

Installation:

team will take care of everything, manage everything, and be totally responsible for everything.

- We specialize in working in occupied spaces and know the challenges, keep work areas clean, and actively plan our work methods to minimize any possible disruption.
- We verify and test all work completion to guarantee that all was installed to specification and to best industry standards.
- Our in-depth operator training guarantees that you will maximize your investment.

Post Installation:

 Our installations are installed per industry best practice, which has continuously proven to reduce emergency or trouble calls. However, when one does occur, you will receive our highest priority response. We respond to emergency service or trouble calls even during peak periods within four (4) hours or less of your call.

LX SERIES THUF 14.5 SEER CONDENSER UNIT

CPSC 98% MODULATING FURNACE 100K BTU /MATCHING COIL

ROBERTSHAW 8600 PROGRAMMABLE THERMOSTAT

System Benefits

- ☑ Helps save you up to 60% on your energy bills:
- Provides more efficient and reliable cooling
- ☑ Rust-resistant protection from the elements
- ☑ Modulating heating runs at an energy-saving 50% capacity
- ☑ Reduces greenhouse gas emissions
- Quiet and evenly distributes warm air to every room
- Heavy steel insulated cabinet holds more heat in the furnace
- ☑ 10 Year parts 1 year labor

\$16,814

ECHELON HC8B 18 SEER CONDENSER UNIT
CP9C 98% MODULATING FURNACE 100K BTU /MATCHING COIL
ROBERTSHAW 8600 PROGRAMMABLE THERMOSTAT

Base Installation Price Includes

- $\ensuremath{\,\boxtimes\,}$ New equipment mounting pad
- ☑ New refrigerant line set☑ New condensate line
- ✓ New electrical disconnect
- ✓ New power wire equip. to disconnect
- ☑ New digital thermostat
- $\ensuremath{\,\boxtimes\,}$ New supply/return plenum transitions
- ☑ Equipment start up and safety inspection

*Potential energy savings may vary depending on your lifestyle, system settings, equipment maintenance, local climate, home construction and installation of equipment and duct system.

SYSTEM ENHANCEMENTS

ACCESSORY	PURPOSE/NEED	WITH NEW SYSTEM	NEW INSTALL
Aprilaire 8600 Touchscreen Digital Programmable	Easy-to-use interactive touchscreen thermostat that lets you program wake, leave, return, sleep and vacation heat and cool settings for seven different days. Includes a large, backlit display is easy to read even in low lighting.	\$357	\$357
Whole Home Air Filtration System	Improving the air in your home is easy with the Whole-Home Air Filtration System. Removes up to 99.98% of allergens from filtered air and catches particles even smaller than .1 micron in size 100 times more effective than a standard 1" throwaway filter. Includes a reusable filter is easy to vacuum or wash.	\$1,799	\$1,799
Aprilaire 700 Power Humidifier	The Aprilaire Model 700 Whole House Humidifier features truly automatic control, so there's never a need to manually control the numidifier—though it can be installed in manual mode, if desired.	\$814	\$814
Aprilaire 600 Bypass Humidifier	The Aprilaire Model 600 Whole-House Humidifier features truly automatic control, plus a built in bypass damper; which means fewer parts to install. The bypass damper is conveniently labeled for both summer and winter settings, allowing you to set it for the entire season with no guesswork involved.	\$710	\$710
Coleman S1-UV36120 Lamp Treatment Systems	Coleman's Ultraviolet (UV) light technology enables you to have whole house air treatment energy, like the sun, to improve your home's indoor air quality.	\$684	\$684
Whole-House Media Air Cleaner	The Media Air Cleaner captures a significant amount of the airborne particles from the air circulated through the unit. Recommended as the basic minimum air quality product.	\$658	\$658

All Equipment Brands Installation Price Book

Go ahead and Get Success Today!

\$50.00 Mo. Subscription

Contractor Benefits

- Improves Customer
 Satisfaction
- Enables you to charge a fair price
- Recover investment on the first call
- Provides sales with installation notes to prevent pricing errors
- No data base maintenance required
- Print as many books as you like right on your PC
- Simple 1-page set-up
- Unlimited updates

Selling Benefits

- Provides a professional sales call handling process
- Provides upfront installation pricing explanations
- Provides authoritative national pricing standards
- Eliminates spelling errors
- Eliminates math errors
- Eliminates writers block
- Provides sales reps an opportunity to be rewarded for speed and efficiency

We agree that flat rate pricing programs provided by other industry trade groups give their customers a huge competitive advantage....

But...you <u>do not</u> need to go down any of these expensive paths SPENDING THOUSANDS to get success.

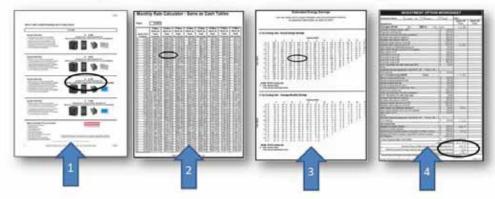

Best practice consumer presentation to help you close more by explaining

Pricing, Payment, & Energy Savings Tables

installation.

What the customer can expect before, during, and post

- Provide your Selling Techs and Comfort Advisors with Flat Rate "Upfront" Installation Price Books.
- Use the built-in Finance Tables to identify affordability.
- 3. Use the built-in Energy Saving tables to identify customer savings.
- Use the Investment Option Worksheet to itemize installation and add/deducts to derive at the net cost to homeowner.

Home Comfort Set-Up and Order Entry Form

To set-up your book's pricing, simply enter the minimum pricing information in the 4 gray highlighted cells. Other pricing cells defaults to industry averages. See product user guide for details on how price books are made. Twelve month from date of submission, subscription price includes unlimited customer updates, equipment cost updates, and authorization to print as many books as needed. **Please carefully print your information**.
